Incoming Mobility Erasmus +

Dear colleagues,

This year, we are once again hosting a group training activity for international non-teaching higher education staff. Instead of welcoming visitors individually throughout the academic year, we are organizing a centralized, one-week training program.

Copyright© 2026 Universidad de Granada

We look forward to welcoming non-teaching staff from our partner Higher Education Institutions (HEIs) during the week of **12th–16th April 2027**.

We encourage all participants to join us in a spirit of shared learning and mutual exchange. To enhance the learning experience for everyone, the program will include a dedicated session where visiting staff can give a short presentation on a topic within their area of expertise, contributing to the professional growth of attendees from across different universities.

Key Application Details:

- **Application Dates:** Applications will be open from **November 1st, 2026, to January 31st, 2027**. (Please note: The link to the application form will be made available directly on this page on November 1st).
- **Notification:** All applicants will receive an email update regarding their application status during the **first week of February 2027**.
- **Available Places:** A total of **25 places** are available.
- **Selection Criteria:** Priority will be given to applicants from institutions holding an active Erasmus+ Inter-Institutional Agreement with our faculty. Any remaining spots will be allocated to applicants from other institutions until capacity is reached.
- **Diversity & Representation:** To ensure broad international representation, **a maximum of 3 participants per institution** will be selected.
